EXAMINER'S AMENDMENT

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 9/28/ and 10/1/2007, Norman Latket requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 02-4035 the required fee for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification:

"weehl" in line 14 of page 5 has been changed to --wheel--.

In the Claims:

Claim 12 has been amended to change "a curved tube" in line 3 to --a longitudinally curved tube--.

Claim 12 has been amended to change "a curved part" in line 5 to --a longitudinally curved part--.

Claim 13 has been amended to change "a curvature" in line 8 to --the longitudinal curvature--.

Claim 13 has been amended to change "a curvature" in line 9 to --the longitudinal curvature--.

Claim 13 has been amended to change "a section" in line 18 to —the cross section of the first portion of the part—

The following is an examiner's statement of reasons for allowance: Examiner considered Myers and Edwards as applied the closest art, and they do not teach or make obvious the expanding inner part of the longitudinally curved part, or interfitted longitudinally-curved tube and part that have a securing arrangement set inside the curved tube that includes both a screw and a conical part (note that conical part is in addition to the screw and cannot be a conical tip or head of the screw)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katherine W. Mitchell whose telephone number is 571-272-7069. The examiner can normally be reached on Mon - Thurs 10 AM - 8 PM.
